GPS For The Soul. A clear, easy to understand exploration of the Tanya's essential concepts. As a result of the intense pace of life in our generation, many people rarely find the freedom of time to live life with deeper meaning. There is simply not a chance to peer beyond the technical, almost automatic way we have to function; with no slowing down to truly explore what really matters. The ...

Sometimes, CarPlay and Android Auto can use receivers' built-in GPS to get slightly better positioning, which should make for more accurate mapping. In general, you may not notice much of a difference. So if you're looking for a unit with CarPlay or Android Auto, it's not necessarily imperative that you find a unit with a built-in GPS. If, however, you'll be using your receiver's ...
