The Hound of Death and Other Stories is a collection of twelve short stories by British writer Agatha Christie, first published in the United Kingdom in October 1933. Unusually, the collection was not published by Christie's regular publishers, William Collins & Sons , but by Odhams Press , and was not available to purchase in shops (see Publication of book collection below).

Agatha Christie definitely was able to create the scares needed for a book titled the way it is. Out of the 12 some are a lot better than others. Good read for someone looking for a break from detective novels. The grip that Agatha Christie's books have over its readers is unmatched for detective fiction lovers. And she was able to keep that grip on supernatural fiction too.
