In the third and final book of Tarr's trilogy, The Hounds of God [c. 1223], Alfred, priest and elf, runs afoul of the Paulines and their Inquisitors. He continues to question his place in the world and his religion as he becomes even less human. Look for the cameo by [not yet Saint] Francis of Assisi. My complaint about the previous book holds true to this one as well: rushed, unfinished, and not precisely ill-thought-out. I suppose I've never found the main love interest very ...

But his refuge in Rhiyana, with its elven king, is invaded by the Inquisition's Hounds of God, who see Alf as inhuman and the country as heretical. After Thea and her twins are kidnapped, Alf traces them to Rome, where he ultimately confronts the Pope. For his efforts, he is once more exiled and now also excommunicated.

The Hounds of God Summary. The tragedy of intolerance of difference is a motif woven through the whole trilogy. It is a basic theme in this novel. Alf spent earlier years desperately trying to be something he was not, a humble monk. Now that he has dropped the monk's persona, his family and his king must also suffer. They are hounded and ...
