

## THE LOGIC OF COLLECTIVE ACTION PUBLIC GOODS AND THEORY GROUPS MANCUR OLSON

Nov 01, 2020

[The Logic Of Collective Action Public Goods And Theory Groups Mancur Olson](#)

Mancur Olson's The Logic of Collective Action is one of the best arguments I have read on the theory of groups. Given its age (it was originally written in the 1960s), it does not include much of the later scholarship on the subject. However, it is a great introduction to collective action, as the basic argument has not changed: groups in which the benefits from collective goods cannot be ...

Problems with group action emerge when we consider externalities and public goods provision within groups. Olson's theory is applied to labor unions, corporations, and other pressure groups. Olson also has a critique of Marxian class theory which drives one more nail into the coffin of communism. The Logic of Collective Action is important ...

Kollektives Handeln (engl. collective action) liegt vor, wenn mehrere Personen in einem gemeinsamen Handlungszusammenhang zielgerichtet handeln. Der Begriff wird in der Soziologie und in den Wirtschaftswissenschaften verwendet. Hier tritt der Begriff beispielsweise in Zusammenhang mit der Neuen Politischen Ökonomie oder Collective Action Clause auf.

The theory shows that most organizations produce what the economist calls "public goods"—goods or services that are available to every member, whether or not he has borne any of the costs of providing them. Economists have long understood that defense, law, and order were public goods that could not be marketed to individuals, and that taxation was necessary. They have not, however ...

Olson's economic theory of collective action has proved inadequate and must be replaced by a theory assuming mixed motivations. 1. Olson's argument The reason rational egoists will not act in their common interest is that interest groups trade in collective, or public, goods, which are characterized by non-excludability (Olson 1965/1971: 14 ...
