

THE RADIUM GIRLS THEY PAID WITH THEIR LIVES THEIR FINAL FIGHT WAS FOR JUSTICE

Nov 27, 2020

[The Radium Girls They Paid With Their Lives Their Final Fight Was For Justice](#)

This is the story of the radium workers, how they were cynically exploited by a ruthless (and very wealthy) corporation, and how they fought for justice - not a popular science book - but nevertheless a little more detail about radium itself and how it affects the body would have been helpful to this book. What information there is is frequently confusing - we are told, for example, about the widespread use of radium in tonics and other health products, then that real radium was not used at ...

For the dial painters, proximity to radium seemed like a dream, even though the work itself was taxing and the girls were pressured to be exacting in their application of the paint. After all, radium cost \$120,000 a gram (\$2.2 million today). Still, according to Moore, they felt incredibly lucky. Though they were paid piecework, the girls could make a lot of money — "some even earned more ...

Dubbed "Radium Girls" and "Living Dead," they suffered radium poisoning and painful, early deaths. "'Living Death' Victims," The Times-News (Hendersonville, NC), February 14, 1938, p.1. Donohue, along with others, fought back: they brought lawsuits against the companies that employed them and they won, even though some did not live to receive their compensation. The women were ...

As a result of management's subterfuge, they were to spend years suffering from the effect of radium poisoning before finally succumbing. This is the story of their fight for justice in the courts, the fight to stop any further needless suffering and ultimately convincing the courts that the companies should be held responsible.

This somber story chronicles the lives of the Radium Girls, female factory workers exposed to large quantities of radium by the men who assured them that it was harmless. Trying to get the factory to take full responsibility, this women's fight for justice was wracked with scandal, denial and cover-ups, but it's ultimately a story of hope and power reclaimed.

Meanwhile, hundreds of girls toil amidst the glowing dust of the radium-dial factories. The glittering chemical covers their bodies from head to toe; they light up the night like industrious fireflies. With such a coveted job, these "shining girls" are the luckiest alive -- until they begin to fall mysteriously ill. But the factories that once ...

Despite this, the "Radium Girls" fought for justice and even that was delayed by courts until it was too late for most. While their fates were tragic, the Radium Girls left a legacy that's tied to social and scientific milestones throughout much of the 20th century—from nuclear weapons and medical research to modern labor regulations.
